CLUB NEWS

President's Message

On January 9th, Greencroft experienced a small fire which started outside the kitchen wall. Thanks to the quick action of our staff, the building was evacuated and no one was injured. There was damage to the kitchen and Eades Room as well as smoke, foam and water damage. With the possibility of being closed for a week or two, and losing revenue from scheduled events, our staff set an ambitious goal of getting things cleaned and ready to reopen. Many hours were spent cleaning dishes, glasses, pots and pans, utensils, and other things involved in getting the kitchen up and running. In addition, we had an outstanding cleaning company, electrician and contractor, each recommended by our insurance company and Peter Eades. I am extremely grateful to all of our staff, and Peter, who helped in getting our club up and running within **three days** of the fire - quite a monumental accomplishment. This speaks to the quality and dedication of our employees, as well as the willingness of some of our Board Members to lend their expertise. The next time you are at the club, please consider offering a sincere thank you to our staff. Or, send a note of gratitude. Because of them, we missed only a few days of enjoying the beautiful atmosphere and amenities that Greencroft offers.

Deb Reynolds
President, Board of Directors

Starting February 6, 2018 and each Tuesday thereafter we will be serving a special lunch buffet. This will be in addition to the regular menu not replacing it. This buffet will act as the special of the day and priced at \$12.00 per person plus tax and gratuity. Some of the buffets will be Pasta and Salad, Soup and Salad, Grilled Cheese and Tomato Soup and Macaroni and Cheese. These are just some of the items that will be featured. This is in response to several requests for something more reasonable and faster for lunch. Please call the club to find out what the buffet will feature and make a reservation.

Manager's Message

Thank you to so many of you who have called or stopped by to talk about our fire. Please see Deb's message and the attachment to this newsletter.

I, again, want to thank my staff and the outside vendors who worked so diligently to get us back up and running within three days.

I, also, want to thank everyone who was here last Friday night at our Robbery Mystery Dinner. To the ten players who acted out the evening, you were amazing. Seven of the ten were members and the rest were real actors who really moved the action along. Our members who participated really got into character and the whole cast had us laughing all evening. We plan to do another mystery dinner in a few months, with a murder this time, planning for more audience participation.

It is that time of year again when we start thinking of new Board members and members of our various committees. If you are interested or know someone you would like to nominate, please let me know. Our committees include Social, Membership, Buildings & Grounds, Board Governance and Personnel Policies, and Finance.

Finally, I hope to see you all often in February. We have a really special month planned with Valentine's Day, celebrating the Chinese New Year, our Brunch Buffet, Afternoon Tea, and topping it off with Lobster Night.
