### **PRESIDENT'S REPORT**

Summer is officially here and the water is finally warm in the pool! The pool is being utilized for swimming lessons, lap swimming and general fun in the sun family time. Come out and enjoy lunch or dinner by the pool.

Greencroft just hosted a Sonoma vs. Napa wine tasting event. It was a fun time meeting new members and catching up with others. We tasted wines from both regions along with delicious tapas style food complementing each wine. Don't miss other opportunities at the club. Monthly events are listed in your newsletter, so please check/mark your calendars.

I hope each of you has a happy and safe summer. And as always, I hope to see you at the club.

### **MANAGER'S REPORT**

A decision has been made on the chairs for the Living Room and the Board has approved. Thank you all for your help and comments. We now will work with the company to order for the Living Room. If anyone is interested in being on the committee to decide the fabric, please let me know.

Also, several of you have offered to pay for a chair over and above the assessment paid. If you are interested in helping out with the purchase of a chair (we will put a plaque on the back with your name on it, if you wish), we would be thrilled to have your additional help. Unexpectedly, we have to put in a new air conditioning system for the building so extra help with the chairs will be most appreciated.

Also, let us know what you think of our new newsletter format. We will continue this for the summer and, depending on your comments, may continue in the fall.
