MANAGER'S MESSAGE

Some of you may have heard that Greencroft will be offering an exciting new benefit to its members through an alliance with ClubCorp USA. This benefit will allow members, at no extra charge, the reciprocal use of over 300 private clubs worldwide. For those of you who travel and/or play golf, you may wish to "upgrade" to Signature Gold status to play or dine at some of the clubs with no greens fees or meal costs. Please read the attached flyer and please come to one of the three information sessions we will have at the end of October.

Throughout the rest of the year, we will be offering other exciting member events. Prime Rib night is planned for October 20th with a pianist to entertain us. Beginning November 14th, we will offer a breakfast buffet on Tuesday mornings with a discussion following on current events. With cooler weather on the horizon, we are bringing back afternoon tea on Friday, October 13. We will have a speaker at our November 9th tea, with our own Megan Collier to debunk myths about essential oils and how we can use them to our benefit. For our speaker's dinner on November 17th, we will have two of our members Lewis Dunn and John Redick discussing "What Next with the Bomb? Nuclear Weapons Today". Of course, on November 23rd, we will offer two seating's for Thanksgiving dinner at 11:30 and 2:30. Please make your reservations early.

In December, the most exciting new event will be on the 30th when we are going to have a Casino Night. We will have Craps, Roulette, and Blackjack tables as well as a buffet supper. We are trying something different instead of our regular New Year's Eve Dinner Dance. Please let us know if you might be interested in this so that we can make sure we have enough tables for everyone to play. Also, in December we will have Sunday Buffet on the 3rd and a Grand Buffet on the 17th. In between on the 10th, we will have a Member Appreciation "Ugly Sweater" event that afternoon. There will be prizes, adult beverages, and appetizers. The Tuesday Breakfast Buffet on December 26th will be by reservation only and will run from 9:30 until 1:30. After your feast on Christmas, join us that Tuesday and let us prepare your first meal.

Eades Garden on the south patio

A super big thank you to Mrs. Robert Lively for her thoughtful planning, coordination, and planting of the Eades Garden. Mrs. Lively, along with Mrs. Don Wheeler and Fran Boninti, took their time to fill the patio garden with several of Mary Eades favorite perennials and annuals. A dedication is to follow on Thursday, October 26.
