CLUB NEWS

PRESIDENT'S REPORT

Happy September. Autumn means football, tailgates and family gatherings. Please remember to use Greencroft's catering service to help free up your time so you can enjoy your event. Also, don't forget our call ahead service to pick up your meal on the way home. As the leaves start to change color, and the cool air surrounds the peaceful setting of Greencroft, why not take advantage of an enjoyable lunch or dinner on the patio with family and friends.

I encourage you to use the club and enjoy the fine amenities YOUR club offers. Hopefully, in the next month or so, you will enjoy dining in the Living Room sitting on the new chairs that our members helped pick. What a beautiful addition to our club. Hope to see you at Greencroft and GO HOOS!

MANAGER'S REPORT

I hope that all of you have had a wonderful summer so far. Summer officially doesn't end until September 21st and we hope to extend that by keeping the pool open until the end of the month. Should the weather turn please check with us the last week of the month to make sure the pool is still open. We will send out a mass email letting you know if we close early. If you are not on our email list, please call or send your email address to us. You may email me at cammie@greencroftclub.net

As you know, over the last several years we have closed the club on Tuesday evenings in January, February, July, and August. Over the last year during the other months, we are averaging only four to six diners on Tuesday evenings. As a result we are not planning to reopen for Tuesday evening dinner service unless someone wants a party of at least 16 people. We will remain open for lunch on Tuesdays as we have done all summer. In addition, we have considered adding another meal to the mix, a breakfast during the week, which would be a special buffet each week. Before starting that, we would like to hear from you. Would this be of interest to you? Would you come? We are thinking of starting on Tuesdays and adding another day later in the week if popular. If we don't hear from you, we will assume there is no interest.

Finally, I want to let everyone know that during September and October we will be having several weddings or other large events at Greencroft. For some of those, the club will be closed to members on Friday or Saturday evenings. Please understand that in order for us to remain open, weddings, rehearsal dinners, birthday parties, memorial receptions, etc. are essential to our livelihood. If one of these events can bring \$8,000 to \$25,000 to the club in one day, we could cover our expenses for one to two weeks. We hope that you will not be inconvenienced too much by this. We are trying very hard to have either the Friday or Saturday of each week available to our members.

Welcome new members!

The class will include both instruction and a four course meal of salad, soup, entrée, and dessert. Included in the instructions will be learning how to dress, how to greet people, making eye contact, how to shake hands properly, proper place setting, table manners, the five reasons you use a napkin, the power of the telephone, posture, the art of conversation, email etiquette, etc.
