A nod to the past, and a gateway to the future. Women have always been a part of the spirits industry, but only recently they have received the titles and recognition they deserve.

Silverback Distillery is an independent mother-daughter run small-batch spirits company that produces the finest in craft gin, bourbon, honey rye whiskey and more.

Since opening Silverback in 2014, Christine "Hooch Mama" Riggelman has racked up over a dozen international awards for her spirits with no plans of slowing down. Her goal is world domination in the spirits industry. Women are finally in a time where they can get recognized for their work, and Christine isn't wasting a minute. Join the Silverback team for an evening of Bourbon infused food; paired with their varieties of Bourbons & Rye Whiskeys

First

Bourbon Glazed Grilled Shrimp Skewer

Hooch Mama sauce

Second

Blackback Barrel Salad

spinach, fried goat cheese medallions, red onion,
warm bourbon bacon dressing

Third
