Board Member Nominees

The Board of Directors has nominated two Greencroft Members to fill the two vacant positions on the Board. Each would be eligible for two three-year terms. Their nominations will be voted on at the Annual Meeting on May 25, 2022.

Sarah Eagleburger, her husband Jason, and two children live in Ivy and have been Greencroft Members for 3 years. They enjoy the Club's offering of family-friendly activities such as the pool, Groovin' at Greencroft, and the art shows which thrilled her daughter. Sarah is a mosaic artist and graphic designer who excels at merging art, marketing, design, and technology and has extensive experience in brand development, marketing, and tracking and improving business growth. In her own words, she is "the passionate recent founder" and CEO of Serqit, Inc., a Virginia-based startup, producing revolutionary technology to propel small businesses. Sarah is a native Virginian and enjoys having extended family close-by in Virginia. Sarah, Jason, and their children have 3 dogs and 2 horses that they board and care for in their retirement.

Dave Reynolds and his wife Deb have been Members of Greencroft for 13 years. They have enjoyed Club Membership while serving and supporting the Club in many ways, including Deb's service as a Board Member for 8 years. Dave is a retired Pediatrician of 40 years. After attending medical school, he joined the Navy, where he served as Chief Resident of Pediatrics at Portsmouth Naval Base for three years and ultimately rose to the rank of Lieutenant Commander. He then joined Pediatric Associates of Charlottesville, during which time he was Chief of Pediatrics at Martha Jefferson Hospital, Visiting Faculty at UVA, on the Board of Directors of the Virginia Pediatric Society, and Senior Managing Partner of the practice until retirement after 31 years. For the last 3 years, Dave participated on the Albemarle County ABRT to review and score funding requests from local non-profit organizations. In other community service, he was President of the Cove Garden Ruritan Club for the past 2 years, taught reading to underserved children and English to refugees, is currently a Meals on Wheels volunteer, and, in April, will have completed his 20th trip to Haiti as part of a Medical Mission Team. Dave's personal interests include hiking, watching UVA and Penn State sports, and traveling and spending time with his and Deb's 5 daughters, their spouses, and their 11 grandchildren.

CLUB NEWS

Gallery at Greencroft

Linda Hollett-Bazouzi- “She is a well-known painter of local, regional, and international landscapes. A devoted and driven en plein air painter, she travels with her oil paints and paint knife down the street and around the world. She does not consider her plein air works ‘studies’, and they are not done with larger pieces in mind. Rather, they are finished works that stand on their own, that may or may not inform later studio pieces.

Hollett-Bazouzi taught art in Henrico County Public Schools for over 35 years. During that time she was awarded recognition at the state and local level for her art program, and achieved National Board Certification in Early/Middle Childhood Art in 2002. For over 20 years she presented workshops for Virginia art teachers at Virginia Art Education State Conferences and Central Region of Virginia mini-conferences.

She is a member of Oil Painters of America and the National Oil and Acrylic Painters Society, and is currently the lead artist for the Virginia Plein Air Painters.”

David Crank- “A native of Virginia, he began drawing and building things early in life, under the weary eyes of understanding and encouraging parents. He received a BA from the College of William and Mary and followed that with an MFA from Carnegie Mellon University. For 10 years he worked primarily in theatre, designing scenery and costumes, but eventually switched his focus to film production and design. In 2004, he met Jack Fisk, and began an instructive, and incredibly fun 6 years, working as his art director on such projects as THE NEW WORLD, THERE WILL BE BLOOD, THE TREE OF LIFE, WATER FOR ELEPHANTS and finally as co-designer with him on THE MASTER. Other work has included JOHN ADAMS with Gemma Jackson, for which he received an Emmy Award as her American Supervising Art Director. In 2021, he was nominated for an Oscar for his production design of Paul Greengrass’s NEWS OF THE WORLD. His other design credits include KNIVES OUT, GREYHOUND, THE DOUBLE, and the upcoming Roderigo Garcia film, RAYMOND AND RAY.
