General Manager's Message

Happy New Year!

I would like to sincerely thank all of our Members for an amazing 2022. Thankfully, COVID is slowly starting to have less of an affect on our events and planning. I am excited to welcome our new Executive Chef, Justin Slywka. Justin has some fantastic ideas for our Member events as well as the daily lunch and dinner offerings in the dining room. His vast experience will bring some welcome upgrades and finesse to the menus. Please be sure to take a moment to say hello to Justin the next time you are in for a meal. We have many events planned for the coming year with one of the first being the continuation of last year's extremely popular "Ken Farmer Presents" music series. These evenings feature a short lecture on a specific style of music, fantastic performances by local musicians, and an amazing three course dinner. They do sell out, so I recommend making your reservations early. Jason, our Director of Racquet Sports, is planning Members' tournaments and league play this year, so please keep a look out for those dates coming soon. The new Padel court and our recently built Pickleball courts remain one of the biggest draws to the Club. If you haven't had a chance to get out there, please contact Jason for a lesson, or go online to make a court reservation. I am looking forward to another great year with many new beginnings for all of us to enjoy Greencroft and each other.

Pickleball at Greencroft

Happy New Year! We are really excited about the 2023 Racquet Season here at The Greencroft Club! This year will bring new pickleball and padel tournaments, clinics, socials and club events for all ages and abilities.

We will be hosting our first Racquet Social on Saturday, January 28th from 5:00PM - 7:00PM. Details to follow.

If you are looking for a fun way to stay healthy and happy this year, try taking a family racquet lesson. You can contact me directly at

Jason@greencroftclub.net and we can set up a family pickleball or padel lesson. This will be a great way to keep you family active in the 2023 season!

Ken Farmer Presents the Blues

Thursday, January 26th | 6:00PM

The first installment of these musical programs will delve in to the songs and history of American blues music. There will be an acoustic section at the beginning featuring Waverly Milor on harmonica and vocals as well as Andy Burdetsky on bass. Then we will jump right into electric blues featuring Ken Farmer and the Authenticators with Wave on the harmonica. We will play everything from songs recorded before WW2, jump band music, blues shouters, the three Kings, modern versions of old songs and even a blues number covered by Elvis. Put on your dancing shoes.
