President's Message

Thank you to everyone who attended the annual membership meeting in May. It was a very lively meeting with appreciated input from many of the club members. The Board and staff constantly strive to improve the club facilities and activities. The suggestions and feedback from the membership help us achieve that goal.

Things are heating up as summer fast approaches. I hope you take full advantage of all the club has to offer: a dip in the pool, live music, social activities, racquet sports and amazing food from our new Chef.

We have many dedicated members that are serving on various committees. Their creativity and dedication helps make The Greencroft Club the place to be! Cheers to all of you. If you would like to volunteer for or create a committee that serves the club, please reach out.

As always, a big thank you goes out to all who promote the club to family, friends and co-workers.

Have an amazing summer!

Credit Card Finance Charges

We are excited to see how many of our Members are now using the online portal for paying their statements! It has been so popular that we have seen a dramatic increase in fees the Club is now paying. To help alleviate these costs, starting July 1, we will have a 3% convenience fee on all credit card charges. These fees will apply on credit card charges in the dining room or on the member portal. This convenience fee will allow the Club to save \$10,000-\$12,000 annually in revenue. Thank you for your understanding!
