President's Message

"November is a month of Thanksgiving. We, at the Greencroft Club, have a lot to be thankful for. Great staff, great management, great Members!

I am especially giving thanks for the possibility of enjoying a classic Greencroft Thanksgiving buffet in person. I can almost taste it! Turkey, ham, dressing, oysters and on and on.

Continue to support your Club. Have lunch, enjoy a first class dinner and, it goes without saying, sign up soon for that classic Thanksgiving buffet. It is sure to sell out quickly!"

Thanks,
Bruce Kirtley, President

CLUB NEWS

Gallery at Greencroft

We are featuring two artists throughout our dining room galleries. Come see them this month!

Jane Goodman "Jane grew up in Rhode Island and graduated from Connecticut College with a BA in Fine Arts. She went to New York City to pursue a career in theatre and entertainment and worked in numerous stage productions as well as television and radio commercials. She retired from the Federal government service in 2016 and returned to her pursuit of painting and travel since then. Today, she maintains a studio in downtown Charlottesville and paints daily. Often you can find her painting en plein air (outdoors), enjoying the surrounding scenery and natural settings that are pictured in her paintings. Jane is a current member of Oil Painters of America (OPA) and American Impressionist Society (AIS). She is a member of COArt Gallery in Staunton, Virginia, an artists' cooperative venture. She exhibits at Annie Gould gallery in Gordonsville and COArt Gallery in Staunton, Virginia. I paint and draw landscapes that are observed and also imagined. My goal is to reflect the experience of the natural world, to convey my emotional response to the subject at hand and to combine the power of mood, color, light and discovery."

Frank Hobbs "Frank Hobbs is Associate Professor of Painting, Drawing, and 2D Design at Ohio Wesleyan University in Delaware, Ohio. A native of Lynchburg, Virginia, Hobbs studied art at Virginia Polytechnic Institute & State University and later at American University in Washington, DC, where he earned his Master of Fine Art in 1984. Hobbs' paintings have been exhibited both in the U.S. and abroad in Ankara, Turkey, Phnom Penh, Cambodia, and Bermuda, through the Arts in Embassy Program of the U.S. State Department. His work is in numerous public and private collections internationally. Hobbs has received fellowships and grants from the National Endowment for the Arts, the Virginia Museum of Fine Arts, Virginia Commission for the Arts, the Vermont Studio Center, and the Virginia Center for the Creative Arts. Most recently, the artist is the recipient of an Individual Excellence in Art Award from the Ohio Arts Council. "

Pickleball at Greencroft

I am very excited to be part of the team here at The Greencroft Club. I'm looking forward to building an awesome pickleball program!

The new facility was completed on Friday, October 22nd and the eight new courts are playing great.

We held our open house on Saturday, October 23rd from 11:00AM-3:00PM. The local pickleball community was invited to come and play on the new courts. More than 150 people came out and participated in the open house. What a turnout!

A very big thank you to Margie Davenport and Carolyn Law for all their hard work and the time they put into making this such a special event. Thank you as well to our Members, Allen Hench and Bevin Boisvert, and to all of the other volunteers that helped!

I am looking forward to filling up the pickleball programming calendar this month. Please reach out to me if you have any questions about the new reservation system, want to learn more about pickleball, or want to take a lesson. You can email me at Jason@greencroftclub.net.
