The Club and our dedicated staff would appreciate your support during this difficult time. With the hope of moving forward in the near future, we have listed upcoming events in this newsletter. Each week, as we need to cancel or postpone events on the calendar, we will notify you.

I wish all of our Members safe and healthy days ahead as we work through this unprecedented time together.

President's Message

To say that we are experiencing extreme times simply demonstrates the limits of the English language! Your Greencroft Club is following safety protocols in consultation with local health authorities. We are still able to offer meals via our "food to go" carry-out service. See the enlarged menu of offerings recently sent to you in an email. Make your choice, call or email to place your order, and tell us the time you'd like to make a pick-up from our front door. This is proving to be extremely successful and helpful to our Members. The Board of Directors has stepped up and is poised to make home deliveries to those who live within five miles of the Club. We are in this together and intend to respond accordingly.

John has been working with our staff to keep them busy on things necessary to the operation of the Club. They are fully demonstrating their commitment to Greencroft in their willingness to help. We will not forget them as time goes on. They are as much a part of the Greencroft family as its Members!

Finally, remember, the best of times will return. Meanwhile, we need to get through the worst of times. And we will do this together. Continue to support your Club by getting "food to go" through the new carry-out service as much as you possibly can!

Bruce Kirtley, Board President
