### **President's Message— Bruce Kirtley, President**

Thank you for your exemplary support during the Covid siege. There has been a steady stream of In-house and To Go dining. It adds up. All of us, especially our dedicated staff, appreciate it!

With increased vaccine availability, there is a real sense that we are more than turning the corner. All the pent-up desire to get out and return to a new normalcy is reflected in the increasing number of events Katy is booking and more In-house dining. It's happening, and the results are on our books. All this is pointing to a good 2021 for Greencroft.

I'm happy to report there will be an increase in the number of acts performing at our successful "Groovin' at Greencroft" outdoor concert series. Executive Chef Gregg's food continues to get rave reviews. In addition to Wine Dinners, Surf & Turf, Oyster Nights, and Steakhouse Dinners, John is working on other themed dining events as conditions permit. We are getting there! Thank you all again for your support and patience over this past year. We will continue to go forward as Greencroft strong!

### **All the ways to dine at the Club**

With a variety of dining options, we certainly have one that will fit your needs. As always, vegetarian options will be available.

#### **To Go Meals**

We offer car-side drop off or contactless pickup at a stocked sanitizing station.

#### **In-house Dining**

Adhering to local and state guidelines, our tables are spaced six+ feet apart and cleaned hourly, creating the safest environment for your dining pleasure.

#### **Patio Dining**

If you are not ready to dine indoors, we have two heaters set on the patio to keep you warm. We still recommend dressing warmly and bringing a blanket.

#### **Delivery**

We offer delivery to our Members within a five-mile radius. 24-hour notice is required.

## Gallery at Greencroft

Don't forget to check out our local artists.

### V-Anne Evans

<https://v-anneevansart.com/>

"My greatest hope as a painter is to tell a story - of the pastoral and secluded places we cherish and return to, and of how these places lead us toward deeper contemplation, and nurture our souls. Painting is for me a devotion of love for these places and an attempt to capture their essence with some truth and clarity."

### Eric Allen

<https://erictallen.com/>

"The painting subjects that I am drawn to tend to be dramatic unspoiled landscape scenes that stir my soul. Sometimes I will find an old or forgotten structure that will evoke or reflect an emotion in me. I paint in oils on canvas or panels. Archival quality giclee prints are available for most of my original oil paintings."

### Gincy Plummer

<https://www.facebook.com/gincycarringtonplummerartist/>

"Gincy is a well collected artist and leads creativity workshops that include single projects for group bonding and creativity unblocking as well as 4 and 12 session workshops. While making art and raising four children, she has also been on the boards of several institutions. She enjoys bringing both creative and analytical skills to every challenge."
