Brunch is Back!

Every Sunday

Sunday afternoons will now feature rotating brunch specials for in-house dining or To Go. Call ahead to see if your favorite is on the weekly menu!

Dinners Open to the Public

Friday & Saturday

**February 5th-6th, 12th-13th, 19th-20th
& 26th-27th**

The current pandemic has affected us all. In response to decreased membership, we are opening our doors to the public on select nights. We hope this will encourage new memberships and enhance our community presence. This will give you the opportunity to invite non-members to dine at the Club on their own and showcase all we have to offer.

All the ways to dine at the Club

With a variety of dining options, we certainly have one that will fit your needs. As always, vegetarian options will be available.

To Go Meals

We offer carside drop off or contactless pickup at a stocked sanitizing station.

In-House Dining

Adhering to local and state guidelines, our tables are spaced six+ feet apart and cleaned hourly, creating the safest environment for your dining pleasure.

Patio Dining

If you are not ready to dine indoors, we have two heaters set on the patio to keep you warm. We still recommend dressing warmly and bringing a blanket. Patio dining is weather permitting.

Delivery

We offer delivery to our Members within a five-mile radius. 24-hour notice is required.

CLUB NEWS

Gallery at Greencroft

February will feature three new artists throughout our dining room galleries.

V-Anne Evans

<https://v-anneevansart.com/>

“My greatest hope as a painter is to tell a story - of the pastoral and secluded places we cherish and return to, and of how these places lead us toward deeper contemplation, and nurture our souls. Painting is for me a devotion of love for these places and an attempt to capture their essence with some truth and clarity.”

Eric Allen

<https://erictallen.com/>

“The painting subjects that I am drawn to tend to be dramatic unspoiled landscape scenes that stir my soul. Sometimes I will find an old or forgotten structure that will evoke or reflect an emotion in me. I paint in oils on canvas or panels. Archival quality giclee prints are available for most of my original oil paintings.”

Gincy Plummer

<https://www.facebook.com/gincycarringtonplummerartist/>

“Gincy is a well collected artist and leads creativity workshops that include single projects for group bonding and creativity unblocking as well as 4 and 12 session workshops. While making art and raising four children, she has also been on the boards of several institutions. She enjoys bringing both creative and analytical skills to every challenge.”

ART ON FIRE FIRE HYDRANT PAINTING PROJECT

Art On Fire is a new initiative to paint fire hydrants artistically for the sake of creating more unique and vibrant communities. The County of Albemarle is partnering with other organizations and local artists for this exciting effort. The Greencroft Club will participate and offer our fire hydrant, located by our main entrance. The Club's cost will be \$500 for the artist's fee and materials. Donations from Members are welcome. Members will have the opportunity to select from among five different designs for our hydrant. Keep an eye out for an e-mail with voting information and instructions. We will have a celebratory event on the day of painting! We are excited to support the County and local organizations and increase our interaction with our neighbors and community.

For more information, visit

President's Message

At our Annual Membership Meeting in May, we will consider candidates for election to fill openings on the Greencroft Board of Directors. Looking forward to that important agenda item, I propose to do something a little different: If you are interested in joining our Board, please e-mail me at bkirtley@embarqmail.com by February 28, 2021. Those of you expressing interest will be invited to meet with a nominating committee of current Board Members in March. There you will have the opportunity to learn about the responsibilities of Board Membership and to tell us your vision for the Greencroft Club.

Thank you in advance for your interest. We look forward to hearing from you!

Bruce Kirtley, President
The Greencroft Club
