The current pandemic has affected us all. In response to decreased membership, we are opening our doors to the public on select nights. We hope this will encourage new memberships and enhance our community presence. This will give you the opportunity to invite non-members to dine at the Club on their own and showcase all we have to offer.

All the ways to dine at the Club

With a variety of dining options, we certainly have one that will fit your needs.

To Go Meals

We offer carside drop off or contactless pickup by a stocked sanitizing station.

In-House Dining

Adhering to local and state guidelines, our tables are spaced 6+ feet apart and cleaned hourly, creating the safest environment for your dining pleasure.

Patio Dining

If you are not ready to dine indoors, we have 2 heaters set on the patio to keep you warm. We still recommend dressing warmly and bringing a blanket. Patio dining is weather permitting.

Delivery

We offer delivery to our Members within a 5-mile radius. 24-hour notice is required.

Operation Snowball

In the event of inclement weather and we have to close the Club, we will send out an e-mail to all Members. We will also post our closure on our social media page and website. As always, our Member and staff safety is our top priority.

Manager's Message

Now that 2020 is finally behind us, I am approaching the upcoming year with a sense of optimism and caution. We will continue to adhere to all of the CDC guidelines pertaining to COVID-19 safety standards. With the promise of a vaccine for all of our Members and the community, we are looking forward to some normalcy in late spring. We have been receiving many inquiries and several bookings for weddings in late spring and fall. In the meantime, we will focus on smaller Member events and themed To Go nights through the upcoming winter months. Please be on the lookout for the return of our very popular Pizza and Burger Nights. I am very grateful for all of our Members' continued support, and I hope for a prosperous new year filled with many wonderful events at Greencroft.

Cheers,

John
